PARLIAMENTS OF THE FUTURE, THE FUTURE OF PARLIAMENTS

SYDNEY
22–24 JULY 2026

Hosted by the
Parliament of New South Wales

The Parliament of New South Wales looks forward to welcoming you to Sydney for the **Parliamentary Professional Services Network (PPSN) Conference**, to be held from 22 to 24 July 2026.

The PPSN Conference brings together professionals from across Australia, New Zealand and the Pacific who are dedicated to the vital work of supporting their parliaments. PPSN exists to advance knowledge, encourage collaboration and strengthen the professional practice of parliamentary services across the region.

The 2026 theme, ***Parliaments of the Future, the Future of Parliaments***, invites us to look beyond the day-to-day and consider how the work we do now will shape parliaments in years to come. Together, we will explore how parliamentary services are evolving, how our institutions can adapt to change, and how we can leave a strong foundation for the future.

The Conference will feature:

- **Networking opportunities:** Build connections with colleagues from parliaments across Australia, New Zealand and the Pacific
- **Guest speakers:** Hear from experts and practitioners shaping the parliamentary services of today and tomorrow
- **Shared insights:** Learn from professionals in parliamentary education and engagement, communications, ICT, member services, Hansard, security, catering, human services and more.
